

CUSTOM MADE EASELS

These attractive custom made easels are perfect to display artwork and special china beside the fireplace or placed on our New London Day Table.

Made from eastern white pine they are approx. 21" high by 8" wide.

CUSTOM MADE SIGNS

New London Wood Products creates custom made signs for your home or business. We take advantage of the wood's unique natural features making each sign one-of-a-kind.

Signs are approx. 1 1/2" thick x 22" wide x 14-16" high. You choose the lettering you would like.

OTHER PRODUCTS & SERVICES

- Firewood -

- Grade Stakes -

- Bar & Table Tops -

New London Wood Products provides 1x1x4 and 2x2x5 grade stakes and hubs of various lengths to the construction industry.

Another specialty is our kiln dried firewood. It is available in quantities of 1/6, 1/3, 1/2, 2/3 and full cords. Other products that are sold are bags of kiln dried kindling and hardwood blocks which are great for summer campfires or when you are on the ice in the winter.

Green firewood is available upon request.

Other areas of specialty are building hardwood and softwood pallets, skids, and crates.

MOUNT SUNAPEE TABLE

The Mount Sunapee Table features a beautiful Curly Maple table top with a soft maple frame. It's natural gold-flecked edge sparkles in the sunlight. A perfect addition to any room in your home. Dimensions approx. 28" high x 46" long x 14"-18" deep. Finished in an Early American stain with 3 coats of polyurethane.

NEW LONDON DAY TABLE

The New London Day Table is the perfect narrow tall table for behind-the-couch, in the hallway or living room to hold photos, books, and mementos. The top features a delicate "live-edge" top. Dimensions approx. 29" high x 55" long x 15" deep. Available finished or unfinished.

SUNAPEE LIGHTHOUSE BENCH

The Sunapee Lighthouse Bench features a Tiger Maple top with a hard maple frame. It's unique natural bark edge is sealed with 3 coats of polyurethane. Dimensions approx. 18" high x 48" long x 12"-14" deep. Finished in an Early American stain with 3 coats of polyurethane.

GREAT ISLAND TABLE

The Great Island Table also features a beautiful Curly Maple table top with a soft maple frame. The crossbeam support below provides ample space for a memorial plaque. Dimensions approx. 28" high x 46" long x 14"-18" deep. Finished in an Early American stain with 3 coats of polyurethane.

PINE RIDGE BENCH

The sturdy and impressive Pine Ridge Bench features a deep 2 inch "live-edge" top, each one unique with nature's individual features. Perfect for a mudroom or porch. Dimensions approx. 19" high x 48" long x 12"-16" deep. Stained in Early American with 2 coats of polyurethane. Available finished or unfinished.

SOONIPi MUDROOM BENCH

The Soonipi Mudroom Bench features a "live-edge" top not quite as thick as the Pine Ridge Bench for a more delicate look. Dimensions approx. 18" high x 48" long x 13" deep. Finished in our custom walnut stain with 2 coats of polyurethane.
